(i) that the land may be used only for the purpose for which it was used at the date of valuation; and

(ii) that all improvements on that land as at the date of valuation may be continued and maintained in order that the use of the land referred to in subparagraph (i) may be continued; and

(iii) that no improvements, other than those referred to in subparagraph (ii), may be made to or on that land; or

(b) as to any part (not actually occupied by the building which is included in the Heritage Register and which is not land that is included in the Heritage Register) that the building which is included in the Heritage Register cannot be removed or demolished and that any land referred to in paragraph (c)

(i)(ii)).

- (c) as to any land that is included in the Heritage Register established under the **Heritage Act 1995** that the land cannot be subdivided or developed or if a permit to subdivide or develop the land has been granted by the Heritage Council, that it can be subdivided or developed only in accordance with that permit.

- (9) If—
- (a) a planning scheme under the **Planning and Environment Act 1987** prohibits the pulling down or removal of a building; or

then despite anything in the **Local Government Act 1989** or this Act the capital improved value, net annual value and site value of any rateable land that includes the building must be calculated on the basis that the building cannot be pulled down or removed.

(10) Despite anything in this Act or the **Local Government Act 1989**—

inserted by
No. 55/1989
s. 5(1)(f).

- (a) the capital improved value and site value of any parklands, reserves or other lands owned by the Crown or any statutory authority which are occupied (otherwise than under any lease) for pastoral purposes only are twenty times the net annual value; and

S. 2(10)(b)
amended by
No. 96/1994
s. 58(a)(b).

21 Determination of objection

- (1) An objection must be determined in accordance with section 20 and this section.
- (2) The rating authority must refer the objection to the valuer for that authority, who must provide a reasonable opportunity for the objector to discuss the matter with him or her.
- (3) Within 4 months after receiving the objection, the valuer must—
 - (a) if he or she considers that no adjustment in the valuation is justified—give the objector written notice of that decision; or
 - (b) if he or she considers that an adjustment in the valuation is justified—
 - (i) recommend accordingly to the valuer-general; and
 - (ii) give the objector and the rating authority a copy of the recommendation.
- (4) The valuer-general, after consultation if practical with the valuer, must determine the objection as follows—
 - (a) the valuer-general may disallow the recommended adjustment in whole or part if, in his or her opinion, the adjusted valuation is not correct; or
 - (b) in any other case, the valuer-general must confirm the recommended adjustment.
- (5) Within 2 months after receiving the recommendation, the valuer-general must give written notice of his or her decision to the objector, the valuer and the rating authority.

- (6) Subject to any review or appeal under Division 4, the decision of the valuer-general must be given effect to by the rating authority and every other rating authority using that valuation.
- (7) If section 20 applies, subsection (2) does not require the valuer to provide a reasonable opportunity for the objector to discuss the matter with him or her unless the objector lodges a submission under section 20(3).

- (2) If the valuer for a rating authority has not given an objector notice of a decision on the objection or a copy of a recommendation under section 21(3)(b)(ii) within 4 months after the objection

- (3) If the valuer-general has not given an objector notice of a decision under section 21(5) within 2 months after a copy of a recommendation was given to the objector under section 21(3)(b)(ii), the valuer-general is deemed to have made a decision disallowing the recommended adjustment.
- (4) An application under this section must be made—
 - (a) in the case of an application in respect of a deemed decision referred to in subsection (2)—within 9 months after the date on which the objection was lodged with the rating authority;
 - (b) in the case of an application in respect of a deemed decision referred to in subsection (3)—at any time after the end of the 2 month period referred to in that subsection;
 - (c) in any other case—within 30 days after the date notice of the decision is given to the objector.
- (5) An applicant under this section must serve a copy of the application on the rating authority.
- (6) The rating authority must, within 1 month after being served with a copy of the application, forward to the principal registrar of VCAT the notice of objection, copies of any notices given under section 21 in connection with the objection and any information given or submissions lodged under section 20 in connection with the objection.

- (2) The principal registrar of VCAT must notify the valuer-general of a referral to the Supreme Court under subsection (1).
- (3) In addition to subsection (1), a matter that is or could be the subject of an application under section 22 may be treated as an appeal to the Supreme Court if, on the application of any party, the Court is satisfied that the matter raises questions of unusual difficulty or of general importance.
- (4) For the purposes of subsection (3), a *party* includes a person who would be a party if the matter were the subject of an application under section 22.
- (5) The prothonotary must notify the valuer-general of an application to the Supreme Court under subsection (3).

- (6) Nothing in this section limits the application of section 77 of the **Victorian Civil and Administrative Tribunal Act 1998**.

24 Grounds of review or appeal

- (1) On a review or appeal the objector's case is limited to—
- (a) the grounds of the objection; and
 - (b) any other grounds set out in the application for review or appeal—

unless VCAT or the Court (as the case requires) otherwise orders.

- (2) If a ground for the objection or application is that the value assigned is too high or too low, the application for review or appeal (as the case requires) must state the amount that the objector contends is the correct value.

S. 25
substituted by
No. 22/2006
s. 16.

25 Powers on review or appeal

- (1) On a review or appeal, VCAT or the Court (as the case requires) may—
- (a) by order, confirm, increase, reduce or otherwise amend any valuation; and
 - (b) make any other order it thinks fit.
- (2) An appeal to the Court of Appeal from an order of the Court under this section lies only on a question of law.

Note

26 Costs

**S. 26
substituted by
No. 22/2006
s. 16.**

- (1) On a review or appeal, VCAT or the Court (as the case requires) may make an order as to the payment of costs, or no order as to the payment of costs, as it thinks appropriate.
- (2) In determining any questions concerning costs, VCAT or the Court must take into consideration the following factors, as appropriate—
 - (a) the desirability of minimising the overall level of legal and valuation costs;
 - (b) any offer, whether or not made without prejudice, by a party in respect of the valuation;
 - (c) the extent of any adjustment to the valuation made by VCAT or the Court;
 - (d) the degree of openness in sharing information between the parties—
 - (i) during the objection process; and
 - (ii) during the review or appeal;
 - (e) any unreasonable conduct on the part of any party—
 - (i) during the objection process; or
 - (ii) during the review or appeal;
 - (f) the failure of a party to give adequate information or supply supporting material when permitted or required to do so;
 - (g) an excessively low value stated by the objector under section 24(2) or an excessively high value contended by the rating authority, valuer or valuer-general (as the case requires).

- (3) The Court may make an order with respect to the assessment of costs in the same manner as it may in respect of any other matter before the Court.

Note

Section 111 of the **Victorian Civil and Administrative Tribunal Act 1998** provides for the assessment of costs in VCAT proceedings.

S. 27
substituted by
No. 22/2006
s. 16.

27 Costs if owner and occupier apply separately

- (1) This section applies if the owner and the occupier of land separately apply for review or appeal in respect of the same assessment of value.
- (2) If this section applies, VCAT or the Court (as the case requires) must not award the owner or occupier any costs in respect of the proceeding unless VCAT or the Court is satisfied—
- (a) if the applicant is the owner, that—
- (i) the owner, before applying for review or appeal, requested the occupier to join in the proceeding; and
- (ii) the occupier refused or failed to do so; or
- (b) if the applicant is the occupier, that—
- (i) the occupier, before applying for review or appeal, requested the owner to join in the proceeding; and
- (ii) the owner refused or failed to do so.
- (3) If the party bringing the proceeding satisfies VCAT or the Court as set out in subsection (2), the owner or occupier refusing or failing to join the proceedings must pay the costs of that person's own application.
