(2) For the purposes of the definition of domestic partner in subsection (1)—

(a) registered relationship has the same meaning as it has in the Relationships Act 2008; and

(b) in determining whether persons who are not in a registered relationship are domestic partners of each other, all the circumstances of the relationship are to be taken into account, including any one or more of the matters referred to in section 35(2) of the Relationships Act 2008 as may be relevant in a particular case; and

(c) a person is not a domestic partner of another person merely because they are co-tenants.
4 **Meaning of decision-making capacity**

(1) A person has decision-making capacity in relation to voluntary assisted dying if the person is able to—

(a) understand the information relevant to the decision relating to access to voluntary assisted dying and the effect of the decision; and

(b) retain that information to the extent necessary to make the decision; and

(c) use or weigh that information as part of the process of making the decision; and

(d) communicate the decision and the person's views and needs as to the decision in some way, including by speech, gestures or other means.

(2) For the purposes of subsection (1), a person is presumed to have decision-making capacity unless there is evidence to the contrary.

(3) For the purposes of subsection (1)(a), a person is taken to understand information relevant to a decision if the person understands an explanation of the information given to the person in a way that is appropriate to the person's circumstances, whether by using modified language, visual aids or any other means.

(4) In determining whether or not a person has decision-making capacity, regard must be had to the following—

(a) a person may have decision-making capacity to make some decisions and not others;

(b) if a person does not have decision-making capacity to make a particular decision, it may be temporary and not permanent;
(c) it should not be assumed that a person does not have decision-making capacity to make a decision—

(i) on the basis of the person's appearance; or

(ii) because the person makes a decision that is, in the opinion of others, unwise;

(d) a person has decision-making capacity to make a decision if it is possible for the person to make a decision with practicable and appropriate support.

Examples

Practicable and appropriate support includes the following—

(a) using information or formats tailored to the particular needs of a person;

(b) communicating or assisting a person to communicate the person's decision;

(c) giving a person additional time and discussing the matter with the person;

(d) using technology that alleviates the effects of a person's disability.

(5) A person who is assessing whether a person has decision-making capacity for the purposes of this Act must take reasonable steps to conduct the assessment at a time and in an environment in which the person's decision-making capacity can be most accurately assessed.

5 Principles

(1) A person exercising a power or performing a function or duty under this Act must have regard to the following principles—

(a) every human life has equal value;

(b) a person's autonomy should be respected;
(c) a person has the right to be supported in making informed decisions about the person's medical treatment, and should be given, in a manner the person understands, information about medical treatment options including comfort and palliative care;

(d) every person approaching the end of life should be provided with quality care to minimise the person's suffering and maximise the person's quality of life;

(e) a therapeutic relationship between a person and the person's health practitioner should, wherever possible, be supported and maintained;

(f) individuals should be encouraged to openly discuss death and dying and an individual's preferences and values should be encouraged and promoted;

(g) individuals should be supported in conversations with the individual's health practitioners, family and carers and community about treatment and care preferences;

(h) individuals are entitled to genuine choices regarding their treatment and care;

(i) there is a need to protect individuals who may be subject to abuse;

(j) all persons, including health practitioners, have the right to be shown respect for their culture, beliefs, values and personal characteristics.

(2) In subsection (1), the reference to a person exercising a power or performing a function or duty under this Act includes VCAT.
6 When may a person access voluntary assisted dying?

A person may access voluntary assisted dying if—

(a) the person has made a first request; and

(b) the person has been assessed as eligible for access to voluntary assisted dying by—

(i) the co-ordinating medical practitioner for the person; and

(ii) a consulting medical practitioner for the person; and

(c) the person has made a written declaration; and

(d) the person has made a final request to the co-ordinating medical practitioner; and

(e) the person has appointed a contact person; and

(f) the co-ordinating medical practitioner has certified in a final review form that the request and assessment process has been completed as required by this Act; and

(g) the person is the subject of a voluntary assisted dying permit.

7 Conscientious objection of registered health practitioners

A registered health practitioner who has a conscientious objection to voluntary assisted dying has the right to refuse to do any of the following—

(a) to provide information about voluntary assisted dying;

(b) to participate in the request and assessment process;
(c) to apply for a voluntary assisted dying permit;
(d) to supply, prescribe or administer a voluntary assisted dying substance;
(e) to be present at the time of administration of a voluntary assisted dying substance;
(f) to dispense a prescription for a voluntary assisted dying substance.

8 Voluntary assisted dying must not be initiated by registered health practitioner

(1) A registered health practitioner who provides health services or professional care services to a person must not, in the course of providing those services to the person—
   (a) initiate discussion with that person that is in substance about voluntary assisted dying; or
   (b) in substance, suggest voluntary assisted dying to that person.

(2) Nothing in subsection (1) prevents a registered health practitioner providing information about voluntary assisted dying to a person at that person's request.

(3) A contravention of subsection (1) is to be regarded as unprofessional conduct within the meaning and for the purposes of the Health Practitioner Regulation National Law.
Part 2—Criteria for access to voluntary assisted dying

9 Eligibility criteria for access to voluntary assisted dying

(1) For a person to be eligible for access to voluntary assisted dying—

(a) the person must be aged 18 years or more; and

(b) the person must—

(i) be an Australian citizen or permanent resident; and

(ii) be ordinarily resident in Victoria; and

(iii) at the time of making a first request, have been ordinarily resident in Victoria for at least 12 months; and

(c) the person must have decision-making capacity in relation to voluntary assisted dying; and

(d) the person must be diagnosed with a disease, illness or medical condition that—

(i) is incurable; and

(ii) is advanced, progressive and will cause death; and

(iii) is expected to cause death within weeks or months, not exceeding 6 months; and

(iv) is causing suffering to the person that cannot be relieved in a manner that the person considers tolerable.

(2) A person is not eligible for access to voluntary assisted dying only because the person is diagnosed with a mental illness, within the meaning of the Mental Health Act 2014.
(3) A person is not eligible for access to voluntary assisted dying only because the person has a disability, within the meaning of section 3(1) of the Disability Act 2006.

(4) Despite subsection (1)(d)(iii), if the person is diagnosed with a disease, illness or medical condition that is neurodegenerative, that disease, illness or medical condition must be expected to cause death within weeks or months, not exceeding 12 months.
Part 3—Requesting access to voluntary assisted dying and assessment of eligibility

Division 1—Minimum requirements for co-ordinating medical practitioners and consulting medical practitioners

10 Minimum requirements for co-ordinating medical practitioners and consulting medical practitioners

(1) Each co-ordinating medical practitioner and consulting medical practitioner must—

(a) hold a fellowship with a specialist medical college; or

(b) be a vocationally registered general practitioner.

(2) Either the co-ordinating medical practitioner or each consulting medical practitioner must have practised as a registered medical practitioner for at least 5 years after completing a fellowship with a specialist medical college or vocational registration (as the case requires).

(3) Either the co-ordinating medical practitioner or each consulting medical practitioner must have relevant expertise and experience in the disease, illness or medical condition expected to cause the death of the person being assessed.

Division 2—First request

11 Person may make first request to registered medical practitioner

(1) A person may make a request to a registered medical practitioner for access to voluntary assisted dying.
Part 3—Requesting access to voluntary assisted dying and assessment of eligibility

(2) A request for access to voluntary assisted dying must be—
   (a) clear and unambiguous; and
   (b) made by the person personally.

(3) The person may make the request verbally or by gestures or other means of communication available to the person.

12 No obligation to continue after making first request

(1) A person who has made a first request may decide at any time not to continue the request and assessment process.

(2) The request and assessment process ends if a person decides not to continue the request and assessment process.

(3) If the request and assessment process has ended under subsection (2), the person may commence a fresh request and assessment process by making a new first request.

13 Registered medical practitioner must accept or refuse first request

(1) Within 7 days after receiving a first request from a person, the registered medical practitioner to whom the request was made must inform the person that the practitioner—
   (a) accepts the first request; or
   (b) refuses the first request because the practitioner—
      (i) has a conscientious objection to voluntary assisted dying; or
(ii) believes that the practitioner will not be able to perform the duties of co-ordinating medical practitioner due to unavailability; or

(iii) is required under subsection (2) to refuse the first request.

(2) The registered medical practitioner must not accept the first request unless the practitioner—

(a) holds a fellowship with a specialist medical college; or

(b) is a vocationally registered general practitioner.

14 Registered medical practitioner who accepts first request must record first request and acceptance

If the registered medical practitioner accepts the person's first request, the practitioner must—

(a) record the practitioner's decision to accept the first request in the person's medical record; and

(b) record the first request in the person's medical record.

15 Registered medical practitioner who accepts first request becomes co-ordinating medical practitioner

On acceptance of a person's first request, the registered medical practitioner to whom the request was made becomes the co-ordinating medical practitioner for the person.

Division 3—First assessment

16 Commencement of first assessment

After becoming the co-ordinating medical practitioner for a person, the co-ordinating medical practitioner must assess whether the
person requesting access to voluntary assisted dying meets the eligibility criteria.

Note

The person must meet all eligibility criteria to be assessed as eligible for access to voluntary assisted dying—see section 20(1)(a).

17 Co-ordinating medical practitioner must not commence first assessment unless approved assessment training completed

The co-ordinating medical practitioner must not commence the first assessment unless the practitioner has completed approved assessment training.

18 Referral for specialist opinion

(1) If the co-ordinating medical practitioner is unable to determine whether the person has decision-making capacity in relation to voluntary assisted dying as required by the eligibility criteria, for example, due to a past or current mental illness of the person, the co-ordinating medical practitioner must refer the person to a registered health practitioner who has appropriate skills and training, such as a psychiatrist in the case of mental illness.

(2) If the co-ordinating medical practitioner is unable to determine whether the person's disease, illness or medical condition meets the requirements of the eligibility criteria, the co-ordinating medical practitioner must refer the person to a specialist registered medical practitioner who has appropriate skills and training in that disease, illness or medical condition.

(3) If the co-ordinating medical practitioner refers the person to—

(a) a registered health practitioner under subsection (1); or
(b) a specialist registered medical practitioner under subsection (2)—

the co-ordinating medical practitioner may adopt the determination of the registered health practitioner or specialist registered medical practitioner (as the case requires) in relation to the matter in respect of which the person was referred.

(4) If the co-ordinating medical practitioner is able to determine that the person has a disease, illness or medical condition that is neurodegenerative in accordance with section 9(4) that—

(a) will cause death; and

(b) is expected to cause death between 6 and 12 months—

the co-ordinating medical practitioner must refer the person to a specialist registered medical practitioner who has appropriate skills and training in that particular disease, illness or medical condition that is neurodegenerative, whether or not the co-ordinating medical practitioner had also made a referral under subsection (2).

(5) The specialist registered medical practitioner referred to in subsection (4) must—

(a) determine whether the person has a disease, illness or medical condition that is neurodegenerative that—

(i) will cause death; and

(ii) is expected to cause death between 6 and 12 months; and

(b) provide a clinical report to the co-ordinating medical practitioner that sets out the specialist registered medical practitioner's determination.
(6) If the co-ordinating medical practitioner refers the person to a specialist registered medical practitioner under subsection (4), the co-ordinating medical practitioner must adopt the determination of the specialist registered medical practitioner in respect of the matter in relation to which the person was referred.

19 Information to be provided if co-ordinating medical practitioner assesses person as meeting eligibility criteria

(1) If the co-ordinating medical practitioner is satisfied that the person requesting access to voluntary assisted dying meets all the eligibility criteria, the co-ordinating medical practitioner must inform the person about the following matters—

(a) the person's diagnosis and prognosis;
(b) the treatment options available to the person and the likely outcomes of that treatment;
(c) palliative care options available to the person and the likely outcomes of that care;
(d) the potential risks of taking a poison or controlled substance or a drug of dependence likely to be prescribed under this Act for the purposes of causing the person's death;
(e) that the expected outcome of taking a poison or controlled substance or a drug of dependence referred to in paragraph (d) is death;
(f) that the person may decide at any time not to continue the request and assessment process;
(g) that if the person is receiving ongoing health services from a registered medical practitioner other than the co-ordinating medical practitioner, the person is
encouraged to inform the registered medical practitioner of the person's request to access voluntary assisted dying.

(2) In addition to the matters of which the co-ordinating medical practitioner must inform the person under subsection (1), the co-ordinating medical practitioner must, if the person consents, take all reasonable steps to fully explain to a member of the family of the person—

(a) all relevant clinical guidelines; and

(b) a plan in respect of the self-administration of a voluntary assisted dying substance for the purpose of causing death.

(3) Nothing in this section affects any duty a registered medical practitioner has at common law or under any other enactment.

20 Outcome of first assessment

(1) The co-ordinating medical practitioner must assess the person as eligible for access to voluntary assisted dying if the co-ordinating medical practitioner is satisfied that—

(a) the person meets all the eligibility criteria for access to voluntary assisted dying; and

(b) the person understands the information required to be provided under section 19(1); and

(c) the person is acting voluntarily and without coercion; and

(d) the person's request for access to voluntary assisted dying is enduring.
Part 3—Requesting access to voluntary assisted dying and assessment of eligibility

(2) If the co-ordinating medical practitioner is not satisfied as to any matter in subsection (1)—

(a) the person requesting access to voluntary assisted dying is ineligible for access to voluntary assisted dying; and

(b) the request and assessment process ends.

21 Recording and notification of outcome of first assessment

(1) The co-ordinating medical practitioner must notify the person requesting access to voluntary assisted dying of the outcome of the first assessment.

(2) Within 7 days after completing the first assessment, the co-ordinating medical practitioner must complete the first assessment report form and give a copy of that form to the Board.

22 Referral for consulting assessment if person assessed as eligible

If the co-ordinating medical practitioner for the person assesses the person as eligible for access to voluntary assisted dying, the co-ordinating medical practitioner must refer the person to another registered medical practitioner for a consulting assessment.

Division 4—Consulting assessment

23 Registered medical practitioner must accept or refuse referral for a consulting assessment

(1) Within 7 days after a registered medical practitioner receives a referral for a consulting assessment of a person from the co-ordinating medical practitioner for the person under section 22, 31, 33(3)(a) or 73(4), the registered medical practitioner must inform the person and the co-ordinating medical practitioner that the practitioner—
(a) accepts the referral; or
(b) refuses the referral because the practitioner—
   (i) has a conscientious objection to voluntary assisted dying; or
   (ii) believes that the practitioner will not be able to perform the duties of consulting medical practitioner due to unavailability; or
   (iii) is required under subsection (2), (3) or (4) to refuse the referral.

(2) The registered medical practitioner must not accept the referral unless the practitioner—
(a) holds a fellowship with a specialist medical college; or
(b) is a vocationally registered general practitioner.

(3) Subject to subsection (5), the registered medical practitioner must refuse the referral if the practitioner has not practised as a medical practitioner for at least 5 years after completing a fellowship with a specialist medical college or vocational registration (as the case requires).

(4) Subject to subsection (6), the registered medical practitioner must refuse the referral if the practitioner does not have relevant expertise and experience in the disease, illness or medical condition expected to cause the person's death.

(5) Subsection (3) does not apply if the co-ordinating medical practitioner has practised as a medical practitioner for at least 5 years after completing a fellowship with a specialist medical college or vocational registration (as the case requires).
(6) Subsection (4) does not apply if the co-ordinating medical practitioner has relevant expertise and experience in the disease, illness or medical condition expected to cause the person's death.

24 Registered medical practitioner who accepts referral becomes consulting medical practitioner

On acceptance of a referral for a consulting assessment of a person, the registered medical practitioner to whom the referral was made becomes a consulting medical practitioner for the person.

25 Commencement of consulting assessment

The consulting medical practitioner for a person must assess whether the person requesting access to voluntary assisted dying meets the eligibility criteria.

Note

The person must meet all eligibility criteria to be assessed as eligible for access to voluntary assisted dying—see section 29(1)(a).

26 Consulting medical practitioner must not commence consulting assessment unless approved assessment training completed

The consulting medical practitioner must not commence a consulting assessment unless the practitioner has completed approved assessment training.

27 Referral for specialist opinion

(1) If the consulting medical practitioner is unable to determine whether the person has decision-making capacity in relation to voluntary assisted dying as required by the eligibility criteria, for example, due to a past or current mental illness of the person, the consulting medical practitioner must refer the person to a
registered health practitioner who has appropriate skills and training, such as a psychiatrist in the case of mental illness.

(2) If the consulting medical practitioner is unable to determine whether the person's disease, illness or medical condition meets the requirements of the eligibility criteria, the consulting medical practitioner must refer the person to a specialist registered medical practitioner who has appropriate skills and training in that disease, illness or medical condition.

(3) If the consulting medical practitioner refers the person to—

(a) a registered health practitioner under subsection (1); or

(b) a specialist registered medical practitioner under subsection (2)—

the consulting medical practitioner may adopt the determination of the registered health practitioner or specialist registered medical practitioner (as the case requires) in relation to the matter in respect of which the person was referred.

28 Information to be provided if consulting medical practitioner assesses person as meeting eligibility criteria

(1) If the consulting medical practitioner is satisfied that the person requesting access to voluntary assisted dying meets all the eligibility criteria, the consulting medical practitioner must inform the person about the following matters—

(a) the person's diagnosis and prognosis;

(b) the treatment options available to the person and the likely outcomes of that treatment;

(c) palliative care options available to the person and the likely outcomes of that care;
(d) the potential risks of taking a poison or controlled substance or a drug of dependence likely to be prescribed under this Act for the purposes of causing the person's death;

(e) that the expected outcome of taking a poison or controlled substance or a drug of dependence referred to in paragraph (d) is death;

(f) that the person may decide at any time not to continue the request and assessment process;

(g) that if the person is receiving ongoing health services from a registered medical practitioner other than the co-ordinating medical practitioner, the person is encouraged to inform the registered medical practitioner of the person's request to access voluntary assisted dying.

(2) Nothing in this section affects any duty a registered medical practitioner has at common law or under any other enactment.

29 Outcome of consulting assessment

(1) The consulting medical practitioner must assess the person as eligible for access to voluntary assisted dying if the consulting medical practitioner is satisfied that—

(a) the person meets all the eligibility criteria for access to voluntary assisted dying; and

(b) the person understands the information required to be provided under section 28(1); and

(c) the person is acting voluntarily and without coercion; and

(d) the person's request for access to voluntary assisted dying is enduring.
(2) If the consulting medical practitioner is not satisfied as to any matter in subsection (1), the consulting medical practitioner must assess the person requesting access to voluntary assisted dying as ineligible for access to voluntary assisted dying.

30 Recording and notification of outcome of consulting assessment

(1) The consulting medical practitioner must—
   
   (a) notify the person requesting access to voluntary assisted dying of the outcome of the consulting assessment; and

   (b) complete the consulting assessment report form and give a copy of it to—

   (i) the Board; and

   (ii) the co-ordinating medical practitioner for the person.

(2) The consulting medical practitioner must give the copy of the consulting assessment report form to the Board within 7 days after completing the consulting assessment.

31 Co-ordinating medical practitioner may refer person assessed as ineligible for further consulting assessment

If a consulting medical practitioner assesses a person requesting access to voluntary assisted dying as ineligible for access to voluntary assisted dying, the co-ordinating medical practitioner for the person may refer the person to another registered medical practitioner for a further consulting assessment.
32 Co-ordinating medical practitioner may transfer role of co-ordinating medical practitioner

The co-ordinating medical practitioner for a person may transfer the role of co-ordinating medical practitioner in accordance with section 33—

(a) at the request of the person; or

(b) at the co-ordinating medical practitioner's own initiative.

33 Process for transfer of co-ordinating medical practitioner role

(1) The co-ordinating medical practitioner for a person may transfer the role of co-ordinating medical practitioner to a consulting medical practitioner for the person if—

(a) the consulting medical practitioner has assessed the person as eligible for access to voluntary assisted dying; and

(b) the consulting medical practitioner accepts the transfer of the role.

(2) Within 7 days after being requested by the co-ordinating medical practitioner to accept a transfer under subsection (1), the consulting medical practitioner must inform the co-ordinating medical practitioner whether the consulting medical practitioner accepts or refuses the transfer of the role.

(3) If the consulting medical practitioner refuses the transfer of the role of co-ordinating medical practitioner, the co-ordinating medical practitioner for the person may—

(a) refer the person to another registered medical practitioner to conduct a further consulting assessment; and
(b) transfer the role of co-ordinating medical practitioner to that registered medical practitioner if that practitioner—

(i) accepts the referral to conduct a further consulting assessment; and

(ii) assesses the person as eligible for access to voluntary assisted dying; and

(iii) accepts the transfer of the role.

(4) If the registered medical practitioner accepts a referral to conduct a further consulting assessment, the consulting assessment that previously assessed the person as eligible for access to voluntary assisted dying becomes void.

**Division 5—Written declaration**

**34 Person assessed as eligible for access to voluntary assisted dying may make written declaration**

(1) A person may make a written declaration requesting access to voluntary assisted dying if the person has been assessed as eligible for access to voluntary assisted dying by—

(a) the co-ordinating medical practitioner for the person; and

(b) a consulting medical practitioner for the person.

(2) The written declaration must—

(a) specify that the person—

(i) makes the declaration voluntarily and without coercion; and

(ii) understands the nature and the effect of the declaration the person is making; and
(b) be signed by the person making the declaration in the presence of 2 witnesses and the co-ordinating medical practitioner.

(3) Despite subsection (2)(b), a person may sign a written declaration at the direction of the person making the declaration if—

(a) the person making the declaration is unable to sign the declaration; and

(b) the person signing—

(i) is aged 18 years or more; and

(ii) is not a witness to the signing of the declaration.

(4) A person who signs a written declaration on behalf of the person making the declaration must do so in that person's presence.

(5) If a person makes a written declaration with the assistance of an interpreter, the interpreter must certify on the declaration that the interpreter provided a true and correct translation of any material translated.

Note
Interpreters who assist in relation to requesting access to or accessing voluntary assisted dying must meet certain requirements—see section 115.

35 Witness to making of written declaration

(1) A person is eligible to witness the making of a written declaration if the person is—

(a) aged 18 years or more; and

(b) not an ineligible witness.
(2) A person is an ineligble witness for the purposes of a written declaration if the person—

(a) knows or believes that the person—

(i) is a beneficiary under a will of the person making the declaration; or

(ii) may otherwise benefit financially or in any other material way from the death of the person making the declaration; or

(b) is an owner of, or is responsible for the day-to-day operation of, any health facility at which—

(i) the person making the declaration is being treated; or

(ii) the person making the declaration resides; or

(c) is directly involved in providing health services or professional care services to the person making the declaration.

(3) Not more than one witness may be a family member of the person making the written declaration.

36 Certification of witness to signing of written declaration

(1) A witness who witnesses a person signing a written declaration must—

(a) certify in writing in the declaration—

(i) that, in the presence of the witness, the person making the declaration appeared to freely and voluntarily sign the declaration; and
(ii) that, at the time the person signed the declaration, the person appeared to have decision-making capacity in relation to voluntary assisted dying; and

(iii) that, at the time the person signed the declaration, the person appeared to understand the nature and effect of making the declaration; and

(b) state that the witness is not knowingly an ineligible witness.

(2) A witness who witnesses another person signing a written declaration on behalf of the person making it must—

(a) certify in writing in the declaration—

(i) that, in the presence of the witness, the person making the declaration appeared to freely and voluntarily direct the other person to sign the declaration; and

(ii) that the other person signed the declaration in the presence of the person making the declaration and the witness; and

(iii) that, at the time the other person signed the declaration, the person making it appeared to have decision-making capacity in relation to voluntary assisted dying; and

(iv) that, at the time the other person signed the declaration, the person making it appeared to understand the nature and effect of making the declaration; and

(b) state that the witness is not knowingly an ineligible witness.
Section 35: Requesting access to voluntary assisted dying and assessment of eligibility

(3) A certification and statement under subsection (1) or (2) must be signed by the witness making it in the presence of the co-ordinating medical practitioner.

Division 6—Final request, contact person and final review by co-ordinating medical practitioner

37 Person may make final request

(1) A person may make a final request for access to voluntary assisted dying if the person has made a written declaration.

(2) A final request must be made to the co-ordinating medical practitioner for the person, by that person personally.

(3) The person may make the final request verbally or by gestures or other means of communication available to the person.

38 Final request to be made a certain time after first request and consulting assessment

(1) A person's final request must be made—

(a) subject to subsection (2), at least 9 days after the day on which the person made the first request; and

(b) in any case, at least one day after the day on which the consulting assessment that assessed the person as eligible for access to voluntary assisted dying was completed.

(2) Subsection (1)(a) does not apply if the co-ordinating medical practitioner for the person considers that the person's death is likely to occur before the expiry of the time period specified in that subsection, and this is consistent with the prognosis of the consulting medical practitioner for the person set out in the consulting assessment report form.
39 Contact person

(1) A person must, after making a final request, appoint a person who is aged 18 years or more as the contact person in respect of the person.

(2) The contact person must return to a pharmacist at the dispensing pharmacy any unused or remaining voluntary assisted dying substance dispensed to the person making the final request either—

(a) if the person dies and the contact person knows that any voluntary assisted dying substance is unused or remaining after the death, within 15 days after the date of death; or

(b) if the person decides to make a request under section 53 for practitioner administration or decides not to self-administer, at the person's request.

(3) The Board may contact the contact person to request information.

40 Formal requirements for appointment of contact person

(1) A person cannot be appointed as the contact person unless the person accepts the appointment.

(2) An appointment of the contact person must—

(a) be made in a contact person appointment form; and

(b) in the presence of another person who is aged 18 years or more, be signed by—

(i) the person making the appointment; and

(ii) the person being appointed.
Part 3—Requesting access to voluntary assisted dying and assessment of eligibility

(3) Despite subsection (2)(b)(i), a person may sign a contact person appointment form at the direction of the person making the appointment if—

(a) the person making the appointment is unable to sign the form; and

(b) the person signing—

(i) is aged 18 years or more; and

(ii) is not a witness to the signing of the form; and

(iii) is not the person to be appointed as the contact person.

(4) A person who signs a contact person appointment form on behalf of the person making the appointment must do so in that person's presence.

(5) If a person appoints a contact person with the assistance of an interpreter, the interpreter must certify on the contact person appointment form that the interpreter provided a true and correct translation of any material translated.

Note

Interpreters who assist in relation to requesting access to or accessing voluntary assisted dying must meet certain requirements—see section 115.

41 Final review by co-ordinating medical practitioner on receipt of final request

(1) On receipt of a final request made by a person, the co-ordinating medical practitioner for the person must—

(a) review the following forms completed under this Part—

(i) the first assessment report form;

(ii) all consulting assessment report forms;

(iii) the written declaration;
(iv) the contact person appointment form; and

(b) complete the final review form in respect of the person; and

(c) certify whether the request and assessment process has been completed as required by this Act.

(2) The co-ordinating medical practitioner must give the Board a copy of the completed final review form, accompanied by copies of all forms referred to in subsection (1)(a), within 7 days after completing the final review form.

42 Technical error not to invalidate request and assessment process

The validity of the request and assessment process is not affected by any minor or technical error in a final review form or a form referred to in section 41(1)(a).

43 Co-ordinating medical practitioner may apply for voluntary assisted dying permit on certification of request and assessment process on final review

If the co-ordinating medical practitioner certifies in a final review form that the request and assessment process has been completed as required by this Act, the co-ordinating medical practitioner may apply under section 47 or 48 for a voluntary assisted dying permit for the person.

44 No obligation for person to continue after certification of request and assessment process on final review

A person in respect of whom a final review has been completed and certified may decide at any time not to take any further step in relation to access to voluntary assisted dying.
Part 4—Voluntary assisted dying permits

Division 1—Authorisations under a voluntary assisted dying permit

45 What is authorised by self-administration permit?

A self-administration permit in respect of a person specified in the permit authorises—

(a) the co-ordinating medical practitioner for the person, for the purpose of causing the person's death, to prescribe and supply the voluntary assisted dying substance specified in the permit to the person that—

(i) is able to be self-administered; and

(ii) is of a sufficient dose to cause death; and

(b) the person to obtain, possess, store, use and self-administer the voluntary assisted dying substance; and

(c) in the case of the death of the person, within 15 days after the date of the person's death, the contact person specified in the permit—

(i) to possess and store the unused or remaining voluntary assisted dying substance (if any) for the purpose of returning it to a pharmacist at the dispensing pharmacy; and

(ii) to carry and transport the unused or remaining voluntary assisted dying substance to a pharmacist at the dispensing pharmacy; and
(d) in the case that the person decides to make a request under section 53 or decides not to self-administer, or in the case of an order made by VCAT to return the voluntary assisted dying substance to the dispensing pharmacy, a contact person specified in the permit—

   (i) to possess and store the voluntary assisted dying substance (if any) that has been dispensed to the person; and

   (ii) to carry and transport the voluntary assisted dying substance to a pharmacist at the dispensing pharmacy.

46 What is authorised by practitioner administration permit?

A practitioner administration permit in respect of a person specified in the permit authorises the co-ordinating medical practitioner for the person, for the purpose of causing the person's death—

(a) to prescribe and supply to the person a sufficient dose of the voluntary assisted dying substance specified in the permit; and

(b) in the presence of a witness receive an administration request; and

(c) to possess, use, and administer in the presence of a witness, the voluntary assisted dying substance to the person if—

   (i) the person is physically incapable of the self-administration or digestion of the voluntary assisted dying substance; and

   (ii) the person at the time of making the administration request has decision-making capacity in relation to voluntary assisted dying; and
Division 2—Voluntary assisted dying permits

47 Application for self-administration permit

(1) Subject to subsection (3), the co-ordinating medical practitioner for a person may apply to the Secretary for a self-administration permit in respect of the person if the person is physically able to self-administer and digest the poison or controlled substance or the drug of dependence proposed to be specified in the permit for the purpose of causing the person's death.

(2) An application for a self-administration permit must—

(a) be in the prescribed form; and

(b) identify the person in respect of whom the permit is sought; and

(c) specify the poison or controlled substance or the drug of dependence the applicant seeks to prescribe or supply in a sufficient dose to the person, for the purpose of self-administration to cause the person's death; and

(d) specify the contact person in respect of the person; and

(e) be accompanied by a copy of the completed final review form and all forms referred to in section 41(1)(a); and
Voluntary Assisted Dying Act 2017
No. 61 of 2017

Part 4—Voluntary assisted dying permits

(f) be accompanied by a statement that the applicant is satisfied of the matters specified in subsection (3).

(3) The co-ordinating medical practitioner must not apply for a self-administration permit unless the co-ordinating medical practitioner is satisfied that—

(a) the person has decision-making capacity in relation to voluntary assisted dying; and

(b) the person's request for access to voluntary assisted dying is enduring.

48 Application for practitioner administration permit

(1) Subject to subsection (3), the co-ordinating medical practitioner for a person may apply to the Secretary for a practitioner administration permit in respect of the person, if the person is to be supplied and administered the poison or controlled substance or the drug of dependence proposed to be specified in the permit by the co-ordinating medical practitioner for the purpose of causing the person's death.

(2) An application for a practitioner administration permit must—

(a) be in the prescribed form; and

(b) identify the person in respect of whom the permit is sought; and

(c) specify the poison or controlled substance or the drug of dependence the applicant seeks to prescribe, supply and administer to the person in a sufficient dose to cause the person's death; and

(d) specify the contact person in respect of the person; and
(e) be accompanied by a copy of the completed final review form and all forms referred to in section 41(1)(a); and

(f) be accompanied by a statement that the applicant is satisfied of the matters specified in subsection (3); and

(g) if the person in respect of whom the permit is sought was the subject of a self-administration permit cancelled under section 52, be accompanied by evidence to the satisfaction of the Secretary—

(i) that any prescription under that self-administration permit which was not filled has been destroyed by the applicant; or

(ii) that any voluntary assisted dying substance supplied under that self-administration permit has been disposed of by a pharmacist at the dispensing pharmacy.

(3) The co-ordinating medical practitioner must not apply for a practitioner administration permit unless the co-ordinating medical practitioner is satisfied that—

(a) the person is physically incapable of the self-administration or digestion of an appropriate poison or controlled substance or drug of dependence; and

(b) the person has decision-making capacity in relation to voluntary assisted dying; and

(c) the person's request for access to voluntary assisted dying is enduring.
49 Secretary to determine application for a voluntary assisted dying permit

(1) The Secretary must determine an application for a voluntary assisted dying permit made under section 47 or 48 by the co-ordinating medical practitioner for a person within the prescribed period.

(2) The Secretary—
   (a) may issue—
      (i) a self-administration permit; or
      (ii) a practitioner administration permit; or
   (b) may refuse to issue a voluntary assisted dying permit.

(3) Without limiting subsection (2), the Secretary may refuse to issue a voluntary assisted dying permit if the Secretary is not satisfied the request and assessment process has been completed as required by this Act.

(4) After determining the application the Secretary must—
   (a) as soon as practicable—
      (i) notify the co-ordinating medical practitioner in writing of the decision under subsection (2); and
      (ii) if the Secretary refuses an application under subsection (2)(b), provide reasons for the decision; and
   (b) within 7 days notify the Board in writing of the decision under subsection (2).

(5) A voluntary assisted dying permit must be in the prescribed form.
50 Operation of voluntary assisted dying permit

A voluntary assisted dying permit comes into force on the day specified in the permit.

51 Secretary may amend voluntary assisted dying permit

(1) The Secretary may amend a voluntary assisted dying permit if satisfied that the permit contains an administrative error or a minor defect.

(2) The Secretary may exercise a power under subsection (1)—

(a) on the request of the relevant co-ordinating medical practitioner; or

(b) in the Secretary's discretion.

(3) The Secretary must notify the relevant co-ordinating medical practitioner and the Board in writing of any amendment made under subsection (1).

52 Cancellation of self-administration permit

A self-administration permit is cancelled—

(a) on the co-ordinating medical practitioner destroying any unfilled prescription; or

(b) on a pharmacist giving the Board a copy of the completed voluntary assisted dying substance disposal form.

Division 3—Later physical incapacity of person to self-administer voluntary assisted dying substance

53 Person may request co-ordinating medical practitioner apply for a practitioner administration permit

(1) A person may request the co-ordinating medical practitioner for the person to apply for a practitioner administration permit if—
Part 4—Voluntary assisted dying permits

(b) the person has lost the physical capacity to self-administer or digest the voluntary assisted dying substance specified in the permit.

(2) The person must make the request personally.

(3) The person may make the request verbally or by gestures or other means of communication available to the person.

54 Destruction of unfilled prescription by co-ordinating medical practitioner

The co-ordinating medical practitioner must, on receiving a request under section 53, destroy any prescription under the relevant self-administration permit which has not been filled.

55 Return of any dispensed voluntary assisted dying substance

Before making a request under section 53, the person or the relevant contact person must, if a voluntary assisted dying substance has been supplied, return the voluntary assisted dying substance to a pharmacist at the dispensing pharmacy.

56 Co-ordinating medical practitioner may apply for a practitioner administration permit

If a self-administration permit is cancelled under section 52, the co-ordinating medical practitioner for the person may apply for a practitioner administration permit for the person.
Part 5—Accessing voluntary assisted dying and death

Division 1—Prescribing, dispensing or disposing of voluntary assisted dying substance

57 Information to be given on prescribing a voluntary assisted dying substance

The co-ordinating medical practitioner for a person must, before prescribing a voluntary assisted dying substance in accordance with a self-administration permit, inform the person—

(a) how to self-administer the voluntary assisted dying substance; and

(b) that the person is not under any obligation to obtain the voluntary assisted dying substance and may at any time return an unfilled prescription to the co-ordinating medical practitioner; and

(c) that the voluntary assisted dying substance must be stored in a locked box that satisfies the prescribed specifications; and

(d) that the person is not under any obligation to self-administer the voluntary assisted dying substance; and

(e) that any unfilled prescription must be returned to the co-ordinating medical practitioner for destruction on the making of a request under section 53; and

(f) that the person or the relevant contact person must return to a pharmacist at the dispensing pharmacy for disposal any dispensed voluntary assisted dying substance—
(i) that the person decides not to self-administer; or

(ii) that the person does not self-administer before making a request under section 53; and

(g) that the relevant contact person must return to a pharmacist at the dispensing pharmacy for disposal any dispensed voluntary assisted dying substance that is not self-administered after the person dies.

58 Information to be given by pharmacist dispensing a prescribed voluntary assisted dying substance

A pharmacist must, on dispensing a prescription for a voluntary assisted dying substance, inform the person to whom the voluntary assisted dying substance is being dispensed—

(a) how to self-administer the voluntary assisted dying substance; and

(b) that the voluntary assisted dying substance must be stored in a locked box that satisfies the prescribed specifications; and

(c) that the person is not under any obligation to self-administer the voluntary assisted dying substance; and

(d) that the person or the relevant contact person must return to a pharmacist at the dispensing pharmacy for disposal any dispensed voluntary assisted dying substance—

(i) that the person decides not to self-administer; or

(ii) that the person does not self-administer before making a request under section 53; and
(e) that the relevant contact person must return to a pharmacist at the dispensing pharmacy for disposal any dispensed voluntary assisted dying substance that is not self-administered after the person dies.

59 Labelling requirements for voluntary assisted dying substance

(1) In addition to any labelling requirements of the Poisons Code or under the Drugs, Poisons and Controlled Substances Act 1981, a pharmacist who supplies a voluntary assisted dying substance must attach a labelling statement in writing to the relevant package or container that—

(a) warns of the purpose of the dose of the voluntary assisted dying substance; and

(b) states the dangers of self-administering the voluntary assisted dying substance; and

(c) states that the voluntary assisted dying substance must be stored in a locked box that satisfies the prescribed specifications; and

(d) states that any unused or remaining voluntary assisted dying substance must be returned by the person to whom it was dispensed or the relevant contact person to a pharmacist at the dispensing pharmacy.

(2) A labelling statement must be in the prescribed form.

60 Pharmacist to record and notify of voluntary assisted dying substance dispensed

(1) A pharmacist who dispenses a voluntary assisted dying substance must immediately record in a voluntary assisted dying substance dispensing form—

(a) that the voluntary assisted dying substance was dispensed; and
Part 5—Accessing voluntary assisted dying and death

(b) that the requirements under sections 58 and 59 were satisfied.

(2) The pharmacist must within 7 days after dispensing the voluntary assisted dying substance give a copy of the completed voluntary assisted dying substance dispensing form to the Board.

61 Secure storage of voluntary assisted dying substance

The person in respect of whom a voluntary assisted dying substance has been dispensed must store the substance in a locked box that satisfies the prescribed specifications.

62 Pharmacist at dispensing pharmacy to dispose of returned voluntary assisted dying substance

If a person who is the subject of a self-administration permit or the contact person specified in the permit returns any of the dispensed voluntary assisted dying substance to a pharmacist at the dispensing pharmacy, the pharmacist must as soon as practicable dispose of it.

63 Pharmacist at dispensing pharmacy to record and notify of disposal of returned voluntary assisted dying substance

(1) A pharmacist at the dispensing pharmacy who disposes of a voluntary assisted dying substance under section 62 must immediately record that disposal in a voluntary assisted dying substance disposal form.

(2) The pharmacist must within 7 days after disposing of the voluntary assisted dying substance give a copy of the completed voluntary assisted dying substance disposal form to the Board.
Division 2—Administration request and administration of voluntary assisted dying substance

64 Person may make administration request

(1) A person may make an administration request, to the co-ordinating medical practitioner for the person, that the co-ordinating medical practitioner administer to the person the voluntary assisted dying substance specified in a practitioner administration permit, if—

(a) the person is the subject of the permit; and
(b) the person has decision-making capacity in relation to voluntary assisted dying; and
(c) the person's request to access voluntary assisted dying is enduring; and
(d) the person understands that the voluntary assisted dying substance is to be administered immediately after the making of the administration request.

(2) The person must make the request personally.

(3) The person may make the request verbally or by gesture or other means of communication available to the person.

(4) An administration request must be made in the presence of a witness.

(5) The co-ordinating medical practitioner must refuse to accept the person's administration request if the co-ordinating medical practitioner is not satisfied of any matter under subsection (1).
65 Witness to administration request and administration of voluntary assisted dying substance

(1) For the purposes of section 46(b) and (c) and section 64(4), a witness to the making of an administration request and the administration of the voluntary assisted dying substance must be—

(a) aged 18 years or more; and

(b) independent of the co-ordinating medical practitioner for the person to whom the voluntary assisted dying substance is to be administered.

(2) The witness who witnesses a person making an administration request and who witnesses the administration of the voluntary assisted dying substance must, in a co-ordinating medical practitioner administration form—

(a) certify in writing that—

(i) the person at the time of making the administration request appeared to have decision-making capacity in relation to voluntary assisted dying; and

(ii) the person in requesting access to voluntary assisted dying appeared to be acting voluntarily and without coercion; and

(iii) the person's request to access voluntary assisted dying appeared to be enduring; and

(b) state that the co-ordinating medical practitioner administered the voluntary assisted dying substance to the person.
66 Certification by co-ordinating medical practitioner following administration of voluntary assisted dying substance

(1) The co-ordinating medical practitioner for a person who has administered the voluntary assisted dying substance to the person must, in the same co-ordinating medical practitioner administration form completed by the relevant witness, certify in writing that the practitioner is satisfied—

(a) the person was physically incapable of the self-administration or digestion of the voluntary assisted dying substance; and

(b) the person at the time of making the administration request had decision-making capacity in relation to voluntary assisted dying; and

(c) the person in requesting access to voluntary assisted dying acted voluntarily and without coercion; and

(d) the person’s request to access voluntary assisted dying was enduring.

(2) The co-ordinating medical practitioner must within 7 days after administering a voluntary assisted dying substance to a person under a practitioner administration permit give the Board a copy of the co-ordinating medical practitioner administration form completed under subsection (1).
Division 3—Notification of cause of death

67 Notification of disease, illness or medical condition of person to the Registrar and Coroner

(1) In addition to section 37(1) of the Births, Deaths and Marriages Registration Act 1996, a registered medical practitioner who was responsible for a person's medical care immediately before death, or who examines the body of a deceased person after death and reasonably believes or knows the person was the subject of a voluntary assisted dying permit must notify the Registrar of—

(a) the registered medical practitioner's reasonable belief or knowledge that the person—

(i) was the subject of a voluntary assisted dying permit and the voluntary assisted dying substance specified in the permit was not self-administered by the person or administered to the person; or

(ii) was the subject of a self-administration permit and accessed voluntary assisted dying by self-administering the voluntary assisted dying substance specified in the permit; or

(iii) was the subject of a practitioner administration permit and accessed voluntary assisted dying by being administered the voluntary assisted dying substance specified in the permit; and

(b) the disease, illness or medical condition that was the grounds for the person to access voluntary assisted dying.

91 **Criminal liability of officers of body corporate—failure to exercise due diligence**

(1) If a body corporate commits an offence against a provision specified in subsection (2), an officer of the body corporate also commits an offence against the provision if the officer failed to exercise due diligence to prevent the commission of the offence by the body corporate.

(2) For the purposes of subsection (1), the following provisions are specified—

(a) section 85;

(b) section 86;

(c) section 87;

(d) section 88;

(e) section 90.
(3) In determining whether an officer of a body corporate failed to exercise due diligence, a court may have regard to—

(a) what the officer knew, or ought reasonably to have known, about the commission of the offence by the body corporate; and

(b) whether or not the officer was in a position to influence the body corporate in relation to the commission of the offence by the body corporate; and

(c) what steps the officer took, or could reasonably have taken, to prevent the commission of the offence by the body corporate; and

(d) any other relevant matter.

(4) Without limiting any other defence available to the officer, an officer of a body corporate may rely on a defence that would be available to the body corporate if it were charged with the offence with which the officer is charged and, in doing so, the officer bears the same burden of proof that the body corporate would bear.

(5) An officer of a body corporate may commit an offence against a provision specified in subsection (2) whether or not the body corporate has been prosecuted for, or found guilty of, an offence against that provision.

(6) In this section—

*body corporate* has the same meaning as corporation has in section 57A of the Corporations Act;

*officer* in relation to a body corporate means—

(a) a person who is an officer (as defined by section 9 of the Corporations Act) of the body corporate; or

(c) the members appointed under section 95.

(2) A member of the Board is not, in respect of the member's appointment, subject to the Public Administration Act 2004 (other than Part 5 of that Act).

95 Appointment of member of the Board

(1) The Minister, by order published in the Government Gazette, may appoint an eligible person to be a member of the Board.

(2) A person is eligible for appointment as a member of the Board if the Minister is satisfied that the person has the appropriate knowledge and skills to perform all of the duties and functions of a member of the Board.

96 Terms and conditions of appointment of member

(1) A member of the Board—

(a) holds office for the period, not exceeding 3 years, specified in the instrument of appointment; and

(b) is appointed on a full-time or part-time basis, as specified in the instrument of appointment; and

(c) is eligible for reappointment.
(2) Despite subsection (1), an initial member of the Board—

(a) holds office for the period, not exceeding 6 years, specified in the instrument of appointment; and

(b) is appointed on a full-time or part-time basis, as specified in the instrument of appointment; and

(c) is eligible for reappointment for a period not exceeding 3 years, specified in the instrument of reappointment.

(3) In this section—

*initial member of the Board* means a person appointed under section 95 who is a member of the first Board constituted on the coming into operation of Part 9.

97 Resignation and removal

(1) A member of the Board may resign the office of member by writing signed by the member and delivered to the Minister.

(2) The Minister may at any time remove a member of the Board from office.

(3) If a member of the Board dies, resigns or is removed from office, the Minister may fill the vacant position by appointing a person who is eligible to be appointed as a member.

98 Chairperson and Deputy Chairperson

(1) The Minister must appoint a member of the Board to be Chairperson.

(2) The Minister may appoint a member of the Board to be Deputy Chairperson.
(3) A person appointed to an office under subsection (1) or (2) holds office for the term specified in the person's instrument of appointment and is eligible for reappointment.

(4) A person appointed to an office under subsection (1) or (2) may resign that office by writing signed by the person and delivered to the Minister.

(5) The Minister may at any time remove a person appointed under subsection (1) or (2) from office.

(6) A person appointed to an office under subsection (1) or (2) ceases to hold that office on ceasing to be a member of the Board.

99 Payment of members of the Board

A member of the Board is entitled to receive the fees and allowances that are fixed from time to time by the Minister.

100 Assistance to the Board

(1) Subject to the approval of the Minister, the Board may co-opt any person with special knowledge or skills to assist the Board in a particular matter.

(2) A person who has been co-opted to assist the Board is to be considered to be a member of the Board until the period of co-option ends.

101 Procedures of the Board

(1) The Chairperson or, in the absence of the Chairperson, the Deputy Chairperson, must preside at a meeting of the Board.

(2) A majority of the members of the Board currently holding office constitutes a quorum.

(3) Subject to this Act, the Board may regulate its own proceedings.
102 Subcommittees

(1) The Board, with the approval of the Minister, may appoint a subcommittee for the purposes of carrying out any of its functions.

(2) The subcommittee may consist of—

(a) members of the Board as determined by the Board; and

(b) any person as the Board determines.

(3) The subcommittee must report to the Board as required by the Board.

Division 4—Request for information, referral of identifying information held by the Board and notifications

103 Request for information by the Board

The Board may request that any person (including a contact person) give information to the Board to assist the Board in carrying out any of the Board's functions.

104 Referral of identifying information to others

(1) Subject to subsection (2), the Board may use and disclose any identifying information obtained as a result of the Board performing a function or exercising a power of the Board for the purpose of referring a matter to the following—

(a) the Chief Commissioner of Police;

(b) the Registrar;

(c) the Secretary;

(d) the State Coroner;

(e) the Australian Health Practitioner Regulation Agency.
(2) The Board must not refer a matter under subsection (1) unless the Board reasonably believes the identifying information discloses a matter that is relevant to the functions and powers of that person or body.

105 Board to notify registered medical practitioner, pharmacist or Secretary on receipt of certain forms

(1) The Board must as soon as practicable after receiving a copy of any of the following forms from a registered medical practitioner or a pharmacist (as the case requires), notify the registered medical practitioner or the pharmacist that the copy has been received—

(a) a first assessment report form;
(b) a consulting assessment report form;
(c) a final review form;
(d) a voluntary assisted dying substance dispensing form;
(e) a voluntary assisted dying substance disposal form;
(f) a co-ordinating medical practitioner administration form.

(2) The Board must as soon as practicable after receiving a copy of a completed voluntary assisted dying substance disposal form give a copy of that form to the Secretary.

106 Board to provide information to the contact person after the notification of the person's death

The Board must within 7 days of being notified by the Registrar of the registration of a person's death in accordance with section 40A of the Births, Deaths and Marriages Registration Act 1996 provide information to the contact person for the person that—
Voluntary Assisted Dying Act 2017
No. 61 of 2017

Part 9—Voluntary Assisted Dying Review Board

(a) sets out the requirement under section 45(c) to return any unused or remaining voluntary assisted dying substance to a pharmacist at the dispensing pharmacy; and

(b) outlines the support services available to assist the contact person with the performance of the requirement referred to in paragraph (a).

Division 5—Reports

107 Annual reports

(1) The Board must, no more than 3 months after the end of a financial year, make a report on the operation of this Act during that financial year.

(2) A report made under subsection (1) may make recommendations on any systemic voluntary assisted dying matter identified by the Board during the reporting period.

(3) The first report under subsection (1) must relate to the period commencing on the second anniversary of the date of commencement of this section and ending on 30 June the following year.

108 Giving an annual report to Parliament

(1) The Board must give an annual report made under section 107 to the Clerk of each House of the Parliament.

(2) The Clerk of each House of the Parliament must cause the report to be laid before the House on—

(a) the day on which it is received; or

(b) the next sitting day of the House.
109 Report of the Board on request of the Minister or Secretary

The Minister or the Secretary may request the Board to consider and report on a matter relevant to the functions of the Board.

110 Reports of the Board for every 6 month period

(1) As soon as practicable after 30 June in each year, but no more than 2 months after that date in each year, the Board must make a report on the operation of this Act during the 6 month period preceding that 30 June.

(2) As soon as practicable after 31 December in each year, but no more than 2 months after that date in each year, the Board must make a report on the operation of this Act during the 6 month period preceding that 31 December.

(3) A report made under subsection (1) or (2) may make recommendations on any systemic voluntary assisted dying matter identified by the Board during the reporting period.

(4) The first report under this section must relate to the period commencing on the date of commencement of this section and ending on whichever is the earliest of 30 June or 31 December the following year.

(5) The Board must give a copy of a report made under subsection (1) or (2) to the Clerk of each House of the Parliament.

(6) The Clerk of each House of the Parliament must cause the report to be laid before the House on—

(a) the day on which it is received; or

(b) the next sitting day of the House.
111 Contents of reports

(1) Subject to subsection (2), the Board may include any de-identified information of a person, who has during the relevant reporting period accessed or requested access to voluntary assisted dying under this Act, in a report under section 107 or 110.

(2) The Board must not include in a report under section 107 or 110 any information (including de-identified information) that the Board considers would prejudice—

(a) any criminal proceeding or criminal investigation; or

(b) any civil proceeding; or

(c) any proceeding in the Coroners Court.

112 Repeal of reports of the Board for every 6 month period and consequential amendment

(1) Section 110 is repealed on the second anniversary of the commencement of section 110.

(2) In section 111, for "section 107 or 110" (where twice occurring) substitute "section 107" on the second anniversary of the commencement of section 110.
Part 10—General

113 Delegation by Secretary

The Secretary, by instrument, may delegate the Secretary's powers under Division 2 of Part 4 to determine an application for a voluntary assisted dying permit, or amend a voluntary assisted dying permit, to a person or class of persons employed under Part 3 of the Public Administration Act 2004.

114 Secretary may approve training for medical practitioners

The Secretary, by notice published in the Government Gazette, may approve training relating to the following matters—

(a) requirements under this Act relating to co-ordinating medical practitioners and consulting medical practitioners, including functions of co-ordinating medical practitioners and consulting medical practitioners;

(b) assessing whether or not a person meets the eligibility criteria;

(c) identifying and assessing risk factors for abuse or coercion.

115 Interpreters

For the purposes of this Act, an interpreter who assists a person in relation to requesting access to or accessing voluntary assisted dying—

(a) must be accredited by a prescribed body; and

(b) must not—

(i) be a family member of the person; or
(ii) believe or have knowledge of—

(A) being a beneficiary under a will of the person; or

(B) otherwise benefiting financially or in any other material way from the death of the person; or

(iii) be an owner of, or be responsible for the day-to-day management and operation of, any health facility at which the person is being treated or resides; or

(iv) be a person who is directly involved in providing health services or professional care services to the person.

116 Five year review

(1) The Minister must cause a review of the operation of this Act to be conducted.

(2) The review must be conducted in the fifth year of the operation of the Act and be a review of the first 4 years of operation of the Act.

(3) On completing the review, the Minister must cause a report of the review to be tabled before each House of the Parliament.

117 Board to record, retain and make public statistical information

(1) The Board must record and retain statistical information about—

(a) persons who have been issued with a voluntary assisted dying permit; and

(b) persons who have died after being administered or self-administering a voluntary assisted dying substance in accordance with this Act.
(2) The following statistical information must be recorded and retained in respect of the persons referred to in subsection (1)—

(a) the disease, illness or medical condition of the person that met the requirements of the eligibility criteria; and

(b) if the person has died after being administered or self-administering a voluntary assisted dying substance in accordance with this Act—the age of the person at the date of the person's death.

(3) The Board must make the statistical information recorded and retained publicly available in a de-identified form on an Internet site maintained by the Board.

118 Regulations

(1) The Governor in Council may make regulations for or with respect to any matter or thing required or permitted by this Act to be prescribed or necessary to be prescribed to give effect to this Act.

(2) Regulations made under this Act—

(a) may be of general or limited application;

(b) may differ according to differences in time, place or circumstances;

(c) may provide for a specified case or class of case, for an exemption of persons or things or a class of persons or a class of things from any of the provisions of the regulations—

(i) whether unconditionally or on specified conditions; and

(ii) either wholly or to the extent specified in the regulations;
(d) may apply, adopt or incorporate any matter contained in any document whether—

(i) wholly or partially or as amended by the regulations; or

(ii) as in force at a particular time; or

(iii) as in force from time to time.
Part 11—Consequential amendments

Division 1—Amendment of the Births, Deaths and Marriages Registration Act 1996

119 Registration

After section 40(1) of the Births, Deaths and Marriages Registration Act 1996 insert—

"(1A) The Registrar, on being notified by a doctor of a death under section 37 and in accordance with section 67 of the Voluntary Assisted Dying Act 2017, must register the death in the Register by making an entry about the death that records—

(a) the cause of death as the disease, illness or medical condition that was the grounds for a person to access voluntary assisted dying; and

(b) in the case that the Registrar is notified in accordance with section 67(1)(a)(ii) or (iii), that—

(i) the person was the subject of a voluntary assisted dying permit, and accessed voluntary assisted dying by self-administering, or being administered by the person's co-ordinating medical practitioner the voluntary assisted dying substance specified in the permit; and

(ii) voluntary assisted dying was the manner of death."
New section 40A inserted

After section 40 of the Births, Deaths and Marriages Registration Act 1996 insert—

"40A Notification of death to Voluntary Assisted Dying Review Board

If the Registrar registers a death in accordance with section 40(1A), the Registrar must notify the Voluntary Assisted Dying Review Board within the meaning of the Voluntary Assisted Dying Act 2017 of—

Instructions to co-ordinating medical practitioner on assessing person as eligible

If you have assessed the person as eligible for access to voluntary assisted dying, you as the co-ordinating medical practitioner must refer the person to another registered medical practitioner for a consulting assessment.

If the consulting medical practitioner assesses the person as eligible for access to voluntary assisted dying, you are required to perform the remaining tasks of co-ordinating medical practitioner in relation to the request and assessment process (see Divisions 3 to 6 of Part 3 of the Voluntary Assisted Dying Act 2017). If, on completion of the final review, you certify that the request and assessment process has been completed, you as the co-ordinating medical practitioner are required to apply for a voluntary assisted dying permit and perform the other tasks required of the co-ordinating medical practitioner, set out in Parts 4 and 5 of the Voluntary Assisted Dying Act 2017.

Section 2: person assessed as ineligible

I, [insert co-ordinating medical practitioner’s name] have completed an assessment of [insert name of person being assessed] and I am not satisfied that [insert name of person being assessed] is eligible for access to voluntary assisted dying.

The person does not satisfy the following requirements of section 20(1) of the Voluntary Assisted Dying Act 2017

[State relevant eligibility criteria or other requirements of section 20(1) that have not been satisfied. Attach any necessary supporting material demonstrating that the person does not satisfy those criteria or requirements.]

CONSULTING ASSESSMENT REPORT FORM

Instructions for completing this form

This form is to be completed by a consulting medical practitioner who has conducted a consulting assessment of a person who has made a first request for access to voluntary assisted dying.

Use this form to report to the Board the outcome of the consulting assessment of the person.

Do not complete this form unless you are a registered medical practitioner who is a fellow of a specialist medical college or a vocationally registered general practitioner and you have completed the approved assessment training.

You must give a copy of this form to the Board within 7 days after completing the consulting assessment, whether or not you have assessed the person as eligible for access to voluntary assisted dying.

You must also give a copy of this form to the co-ordinating medical practitioner.

FORM 3

WRITTEN DECLARATION

I [insert name of person making declaration]
of [insert address of person making declaration]
request access to voluntary assisted dying under the Voluntary Assisted Dying Act 2017. I am advised that I have been assessed as eligible for access to voluntary assisted dying by my co-ordinating medical practitioner and a consulting medical practitioner.

I make this declaration voluntarily and without coercion.

I understand the nature and effect of this declaration, being that if I meet the requirements of the Voluntary Assisted Dying Act 2017 I will be prescribed a voluntary assisted dying substance, and I expect to die when I self-administer or I am administered that substance.

If I am not physically capable of self-administration or digestion of the voluntary assisted dying substance, only my coordinating medical practitioner may administer the voluntary assisted dying substance to me.
