

**THE MEMBER FOR CROYDON**

## **Building Legislation Amendment Bill 2023 — reasoned amendment**

I move —

That all the words after ‘That’ be omitted and replaced with the words

‘this House refuses to read this Bill a second time until the Minister consults further with stakeholders, including the Australian Institute of Building Surveyors, about options to require building surveyors practising in Victoria to be members of a Professional Standards Scheme, allowing AIBS to assist the government to regulate practitioners and strengthen the building permit process’.
