I move —

That all the words after ‘That’ be omitted and replaced with the words
‘this House refuses to read this Bill until the Government:

- (1) provides a viable fiscal strategy for Victoria that will not:
 - (a) increase unemployment;
 - (b) increase the tax burden on families and businesses;
 - (c) put downward pressure on real wage growth; and
 - (d) put downward pressure on investment and jobs growth;
- (2) provides a fiscal strategy to repay \$140 billion in State debt;
- (3) appropriately accounts for \$76 billion in recurrent and capital contingency funding that should be drawn-down in lieu of new taxes and tax increases; and
- (4) alleviates cost of living pressures for Victorian families’.
