Victorian Energy Efficiency Target Amendment (Energy Upgrades for the Future) Bill 2025 — reasoned amendment

I move —

That all the words after ‘That’ be omitted and replaced with the words

‘this House refuses to read this Bill a second time until the Government explains the true costs of the extension of the Victorian Energy Upgrades (VEU) program from 2030 until 2045, guarantees no further instances of rorts, waste and exploitative practices will occur and concludes the ongoing strategic review of the VEU program.’
